

Ms. McDonald,

Let this letter serve as validation that we are in agreement with the Maryland Department of Environment to grant Dominion the license to proceed with the project at Cove Point. After thoroughly researching the information available to us we have determined that this project is being monitored and overseen adequately and we would like to see it move forward as soon as possible.

With Regards,

A handwritten signature in dark ink, appearing to read "Daniel Loveless", with a long, sweeping horizontal stroke extending to the right.

Daniel Loveless
Assistant Business Manager
Steamfitters Local 602
